

# Adding new cleaners to your team

New cleaners MUST obtain their AMC ID Card prior to commencing work on site. This ensures that all cleaners have been successfully verified and inducted.

## Make an appointment

Make an ID appointment for your cleaner with our admin team by emailing [adminwa@amcclean.com.au](mailto:adminwa@amcclean.com.au) or calling **08 9277 9222**.

## Assemble required items

Ensure that your new cleaner has ALL of the following items with them at their appointment or we will not be able to issue their ID, induction link or uniform.

- 100 points of ID
- Police Clearance Certificate
- Payment for all items they'll be collecting on the day

## Payment

Cleaners are required to make payment for their ID, Induction link and Uniforms at the time of their appointment.

*It is not our practice to invoice the Franchisee for these items, so if you would like to be charged directly instead, ensure that you advise us of this when booking your appointment and we will raise a deduction for the items through FAS.*

## Price List
